Verse 1

**It takes faith to make your dreams come true,
life has something special right here for you
Everything has a season, a reason to grow;
so don't be discouraged by your obstacles.**

Chorus

**Never Give Up your right to be happy.
Never Give Up, be all you are meant to be.**

Verse 2

**Things will always come to get us down,
and it only gets worse when we, start to frown.
Let's keep hope alive in our hearts,
smile with gratitude, that's when the magic starts.**

Chorus

**Never Give Up, your right to be happy.
Never Give Up, be all you are meant to be.
Never Give Up, your right to be happy.
Never Give Up, it's your life for eternity.**

Bridge

**Never be defeated even if you are mistreated,
stand your ground right where you are.
Don't give up on your dreams, no matter how hard it seems,
move forward and follow your heartfollow your heart!**

Chorus

**Never Give Up, your right to be happy.
Never Give Up, be all you are meant to be.
Never Give Up, your right to be happy.
Never Give Up, it's your life for eternity.**

Verse 1

**Woke up early this morning, I couldn't get back in the bed
Got a whole 'lotta people counting on me, to do just what I said
I might not have all the answers, but this I know for sure
I won't look back on past mistakes, A bright future is mine to make,
This present moment I will take,**

Chorus

**To move forward, keep moving forward,
I'm looking forward, keep moving forward**

Verse 2

**To all my brothers and sisters, and everyone around the World
There's a new day evolving in front of us, our dreams they will unfurl
Everyone has the choice to reach up for the stars
Love is here, I see the signs, occupy my heart and mind,
We're winning now this is our time,**

Chorus

**To move Forward, Keep moving forward,
I'm looking forward, Keep moving forward**

Bridge

**Keep on, Keep on moving, don't stop
There's a new Day evolving in front of us!!**

Chorus

**Forward and don't look back, Keep moving forward, stay on track
Forward, Just be strong, Keep moving forward, we gotta hold on
Forward, come on let's make a way, Keep moving forward, for a better day
Forward, We don't have time to waste,
We gotta make it better for the whole Human Race!
Keep on, Keep on, Keep moving forward
Keep on, Keep on, Keep moving forward**

**Keep on moving on, yes we must stay strong,
everyone around the World, Forward
Keep on, moving, Forward, Forward!**
